

## **Top marks for WIKA at the annual Hoppenstedt credit rating**

**Klingenberg, June 2012.**

**WIKA's financial stability has been awarded the credit rating index of 1 by Hoppenstedt Kreditinformationen GmbH.**

**Only 4.4 % of all German companies have been awarded this "Top Rating" by the recognised credit rating agency.**

The nationally recognised "CreditCheck" underlines WIKA's healthy financial structure with a solid equity position. This was one of the main reasons that the company was able to successfully cope with the recent economic crisis. The Hoppenstedt rating is based on the demographic and financial data of companies, as well as information on their payment history.
