triomis fourth time in consequence excellently: triomis Counted Among Top Finalists for the 2009 Microsoft Worldwide Partner Conference Awards in Office Business Application Partner of the Year

Today, **triomis**, member of CRM Vision Group, announced it has been selected as a 2009 Microsoft Worldwide Partner Conference Awards finalist in **Office Business Application Partner of the Year**.

The Microsoft Partner Program Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the past year. Awards will be presented in a number of categories, with winners chosen from a pool of nearly 2,000 entrants worldwide and to the Worldwide partner conference, which takes place in this year from the 13.7. to 16.7.2009 in New Orleans (USA), are honored.

"A mad feeling was distinguished, as smaller Microsoft partners again to be finalist for the Award" so Stephan Thurek, founder and managing director, triomis GmbH. " After the honor as partners of the year 2006 by Microsoft Germany and after 2007 and 2008 it is the third worldwide Award in consequence. Nominating in the category Office Business Applications (OBA) particularly makes us happy and motivates us to continue to work within this area. Thereby becomes our strategy to make available users data from business applications such as SAP or Microsoft Dynamics products in office applications such as Microsoft Word and Outlook being entitled honoured.

The Office Business Application Partner of the Year award recognizes exceptional partners that have excelled in offering a breakthrough solution, an Office client, or an Office SharePoint interface to a line-of-business application. The winning partner has leveraged Open XML, Web services, Visual Studio Tools for Office, or Office SharePoint Server-based technology and marketing offerings to help customers connect people, applications, and partners, while delivering excellent total cost of ownership.

"Partners are the key to igniting business innovation through great technology as well as helping customer drive down costs," said Allison L. Watson, Corporate Vice President, Worldwide Partner Group, Microsoft Corp. "Congratulations to triomis and the other 2009 WPC Award finalists who have demonstrated a superior level of expertise as well as a focus on delivering customer value. We look forward to seeing these partners fulfill their limitless potential as they continue to provide customers with world-class Microsoft solutions."

triomis is partner for innovative information technology. As a specialist for the realization of software solutions based on Microsoft technologies triomis has competencies within Business Intelligence, Collaboration and Knowledge management, development of Web Applications, portal development, Integration of business applications and custom software development.
