

## PRESS RELEASE

October 2010

# *ALWORTHS stores have chosen the Odysseé PACK by POSLIGNE!*

Runcorn & Lisses, 18<sup>th</sup> October 2010 ; **ALWORTHS**, the UK retail chain of high street general merchandise stores, has selected the **Odysseé** all-in-one terminals (EPoS IT systems) by **POSLIGNE**<sup>®</sup>, together with their matching ODP 200 receipt printer, to equip its stores.

So far, **51 POSLIGNE**<sup>®</sup> **Odysseé Packs** have been rolled out to **over 14 stores** across the UK, through **FUTURA**, **ALWORTHS'** EPoS software partner; the chain has opted for the Odysseé hardware with a pearl white base, together with modular Indigo blue Clip'n Colour systems (*interchangeable clips on the frame and sides of the system + cover of the matching printer*).

*"The first ALWORTHS store opened in November 2009 and so far there are 14 ALWORTHS across the UK, with more openings planned"*, explains **Mr Andy LATHAM**, Managing Director of ALWORTHS.

*"The **Odysseé Packs** perfectly meet the needs of the modern, bright and fresh ambiance of our stores' interiors; they also match the colours of our brand. Additionally, the AURES equipment is really robust, reliable and easy to install - and user friendly as well; our staff and till operators love it!"* he ended.

*"We are glad that our **POSLIGNE**<sup>®</sup> hardware met the requirements of **ALWORTHS**"*, explained **Mr David WOODS**, Head of the AURES Group in the United Kingdom. *"ALWORTHS loved the look and style of the Odysseé systems, and seeing that we could maintain their colour scheme and brand identity right to the point of payment was a real benefit"* he added.
