

## **EuroPLX 73 Vienna Pharma Partnering Conference**

Surrounded by some of Vienna's best-known sights, the 73rd euroPLX Partnering Conference will again be held in the Hotel Savoyen Vienna which features Vienna's largest hotel ballroom. This two-days euroPLX Conference will be attended by top level business development executives who exchange and discuss business opportunities. Attendance will be limited to **370 persons**.

For each attending company RauCon Partnering Conferences provide an average of 25 to 30 pre-arranged meetings. Information exchange on new business opportunities and interaction start right after registration, concluding with a two-days conference of targeted, pre-scheduled one-on-one meetings with top executives from drug developing, producing or marketing companies from all over the world.
