

**INCOMEDIA to exhibit at CeBIT 2011 in Hannover, Germany for the 6th Successive Year**

**Incomedia will be a proud participant, for the 6<sup>th</sup> year running, at the world's largest ICT trade show. Incomedia will be presenting its multi-award winning WebSite X5 software that continues to include a complete web hosting package.**

Incomedia experienced again a year of continuous growth, securing a successful position in the European markets and expanding its global presence by entering new markets such as Brazil, Netherlands and Turkey, the official Partner of CeBIT 2011. WebSite X5 Evolution is currently available in 18 languages and is sold in over 40 countries through a wide network of distributors, resellers and partners.

At CeBIT, Incomedia, that renewed and strengthened the co-operation with their international partner One.Com, will be presenting its flagship product WebSite X5 Evolution together with the web space offer that has been reconfirmed recently. Through the successful collaboration between One.Com and Incomedia, end users of WebSite X5 Evolution receive a full 12 month One.com web hosting pack which includes: a domain name, 3GB web hosting space and unlimited e-mail accounts to name a few of the features. This great addition of the web hosting pack ensures that once customers have used WebSite X5 to create their website they can immediately get online with no additional cost.

Federico Ranfagni, CEO of Incomedia, comments: "CeBIT has established itself as the most important event in the ICT industry. We are very glad to exhibit for the sixth year in row and take part to this global event. For us CeBIT is one of the most important events in our calendar, it gives us the chance to meet face-to-face with most of our global partners in one location; and it is the ideal opportunity to meet with new partners, press and end users also.

Incomedia will welcome visitors, partners and the press to their stand located in hall 9, stand B19.

**About Incomedia**

Incomedia is a leading independent developer and publisher of multimedia software for the PC. Founded in 1998, Incomedia is privately owned and head quartered in Italy.

Incomedia's flagship product WebSite X5 was developed with the aim of bringing high-end website creation software at affordable prices to home, business and education users. The software is designed specifically for users who want to publish high-quality websites and on-line shops, with a professional look and feel in just 5 simple steps. It is completely visual and users do not require any HTML programming skills; all they need to know is what they want to say and WebSite X5 takes care of the rest.

WebSite X5 is currently sold in over 40 countries through a well established network of International distributors, resellers and retailers. To date the software has over 200 favourable reviews globally from some of the most respected magazines and websites.
