Meet Wipotec at Cfia 2026.

Wipotec, a global leader in high-precision weighing and inspection technology “Made in Germany,” is pleased to invite industry professionals to visit us at Cfia Toulouse 2026.

At our booth, visitors will experience the latest innovations in dynamic checkweighing, X-ray inspection, and Track & Trace solutions — all designed to enhance efficiency, safety, and transparency across modern production lines.

Join us to explore how Wipotec’s advanced technology helps manufacturers achieve higher precision, smarter automation, and improved product quality.

Event: Cfia Toulouse 2026

Date: 22-24.September 2026
