

HP ElitePad 1000 G2 Rugged Tablet

The tough mobile solution designed to deliver.

Keep the pace in and out of the office with the HP ElitePad 1000 Rugged Tablet, a Windows® tablet solution designed to go wherever you go and do whatever you do—throughout the day.

HP recommends Windows.

- Windows 8.1⁷
- 25,65 cm (10.1") diagonal display

Fearless durability

- Use the durable solution wherever you need it. It's designed to be cleaned¹ and pass IP 65² for water and dust and MIL-STD 810G testing.³

Mobile productivity that works as hard as you do

- Power through your shift with up to 20 hours⁴ battery life and use the 2D barcode reader (select configurations) to quickly access information such as inventory data.

Security from the start

- Make the solution part of your secure IT environment with an integrated smart card reader with FIPS-140-2 encryption and IPS-201 certification, HP Client Security and HP BIOS Protection solutions, and full disk encryption.

Expand what you can do

- Create the best solution for your environment with a suite of optional accessories.⁵ Use the tablet pen to enable data input when you're out in the field or a docking station to create a desktop-like environment when you're back in the office.

Featuring

- Contoured edges and an ergonomic design for easy handling are all part of the solution that goes where you go.
- Get a range of ports on the solution, or dock in the optional HP ElitePad Docking Station⁶ for even more options; control your wireless through a single user interface.
- Get a solution that is treated with antimicrobials⁶ (silver ion additives) to prevent microorganisms from degrading it.
- Enjoy wide viewing angles on the 10.1-inch diagonal, 1920 x 1200, Full HD, multi-touch display with durable Corning® Gorilla® Glass 3.
- Do it all with Windows 8.1 Pro,⁷ a quad-core Intel® processor,⁸ and 128 GB storage.⁹
- Manage data, security, and devices from the cloud with HP Touchpoint Manager.¹⁰
- Rely on support you can trust with HP's world-class limited warranty.

HP ElitePad 1000 G2 Rugged Tablet Specifications Table

HP recommends Windows.

Available Operating System	Windows 8.1 Pro 64 ¹ Windows 8.1 64 ¹
Available Processors	Intel® Atom® Z3795 (1.6 GHz, up to 2.39 GHz using Intel Burst Technology, 2 MB cache, 4 cores) ³
Chipset	Chipset is integrated with processor
Memory	4 GB 1067 MHz LPDDR3 SDRAM
Internal Storage	128 GB eMMC ⁴
Display	25,65 cm (10.1") diagonal WUXGA (1920 x 1200), capacitive multi-touch screen with digitizer, Corning® Gorilla® Glass 3 with anti-smudge coating

Messaging Footnotes

¹ See user guide for cleaning instructions.

² IP 65 testing is pending. The solution is planned to be covered under HP limited warranty for IP 65 dust and water ingress.

³ MIL-STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. MIL-STD test results are not a guarantee of future performance under these test conditions.

⁴ Testing conducted by HP consisting of full battery discharge while running a series of productivity scripts against the following applications (which may or may not be included with your particular product): Adobe® Acrobat® Reader 7.0, Adobe® Illustrator® CS2, Adobe® Photoshop® CS2, Apple® Quicktime 7.1, Intervideo® WinDVD® 8, Macromedia® Flash 8, Microsoft® Office® 2003 Pro, Microsoft® Project 2003, and Winzip® 10.0. Prior to testing, the system was fully charged, display brightness was set at 60 nits, wireless was turned off, and auto dim, suspend, hibernate, and all other programs, utilities, and services not essential to running the computer system or battery life test were disabled. Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage.

⁵ Accessories sold separately. Use of the HP ElitePad Rugged Tablet with the HP ElitePad Docking Station requires an adapter (also sold separately) for correct compatibility. Please see product QuickSpecs for details.

⁶ Hand strap, Quick Release pins, camera lens, flash cover, barcode reader cover, screws, screen, and HP logo are not treated with an antimicrobial.

⁷ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, and/or software to take full advantage of Windows functionality. See www.microsoft.com.

⁸ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required.

Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance

⁹ For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 5 GB is reserved for system recovery software.

¹⁰ HP TouchPoint Manager supports Android™, iOS, and Windows® operating systems, and PCs, notebooks, tablets, and smartphones from various manufacturers. Not available in all countries. See www.hp.com/touchpoint for availability information. HP Touchpoint Manager requires purchase of a subscription.

Technical specifications disclaimers

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required.

Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³ For Solid State Drives (SSD), GB = 1 billion bytes. Actual formatted capacity is less. Up to 5 GB for Windows 8.1 is reserved for system recovery software.

⁴ HD content required to view HD images.

⁵ HP Mobile Broadband and Gobi 4G LTE WWAN are sold separately or as an add on features, not available in all regions and require separately purchased service contract. Check with service provider for coverage and availability. Connection speeds will vary due to location, environment, network conditions, and other factors.

⁷ HP Mobile Connect is available in EMEA only and requires a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobileconnect.

⁸ The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.

⁹ HP ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting

¹⁰ Offer available to new Box users only. Offer subject to change without notice. Box app requires Windows 8 or 8.1.

¹¹ HP Elitepad 1000 includes a 4 year license of Absolute Data Protect to locate your device, lock and prevent unauthorized access and remotely delete personal data. License must be activated by customer. See <http://www.absolute.com/landing/2012/computrace-hp> for complete details. Absolute Data Protect agent is shipped turned off, and must be activated by customers. Service may be limited, check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

¹³ HP Trust Circles Standard, when included, allows up to 5 Trust Circles with up to 5 contacts in each Trust Circle. Optional Trust Circles Pro required for unrestricted number of Trust Circles and contacts. Trust Circles Reader is available to allow a contact to participate in an invited Trust Circle. Requires Windows. Available at <http://hptc.cryptomill.com>.

¹⁴ Software TPM 1.2 (on by default) or Hardware TPM 1.2 (off by default).

¹⁷ IP 65 testing is pending. The solution is planned to be covered under HP limited warranty for IP 65 dust and water ingress.

¹⁸ MIL-STD testing is pending and results are not a guarantee of future performance under these test conditions. MIL-STD 810G testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use.

¹⁹ Hand strap, quick release pins, camera lens, flash cover, bar code reader cover, screws, screen and HP logo are not treated with antimicrobials.

²⁰ A subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

²¹ NFC application or software sold separately. Please note that only NFC standards compliant cards are supported.

²² EPEAT registration varies by country. See www.epeat.net for registration status by country.
