**Honored twice: Schlemmer Morocco also receives technology award from Delphi Automotive**

Munich, 02 August 2016 – Following Ningbo Schlemmer Automotive Parts Co., Ltd in China, now also the Schlemmer production plant in Morocco received a Technology Pinnacle Award for Supplier Excellence from Delphi Automotive. The award recognized Schlemmer Morocco's ability to focus creative resources and help Delphi deliver globally relevant solutions that capitalize on the megatrends of safe, green and connected.

Mohamed Slimani, General Manager of Schlemmer Morocco, accepted the award on behalf of the team of about 100 employees at the North African production plant. The Delphi Pinnacle Awards have been presented annually since 2004, and the Technology award for 2015 went to a total of five automotive suppliers. Already in April, Ningbo Schlemmer Automotive Parts Co., Ltd in China received a 2015 Delphi Pinnacle Award.

"We are very pleased to receive the renowned Technology Pinnacle Award twice this year alone. This points out our role as a reliable technology partner, who supports its customers successfully by developing innovative solutions worldwide," says Josef Minster, CEO of the Schlemmer Group.

"Delphi values its strategic partners as they share our passion for excellence and innovation," emphasizes Sidney Johnson, Senior Vice President of Delphi Supply Chain Management. "Whenever innovation and outstanding cooperation converge, this leads to excellent results that we truly appreciate. That is why we are very pleased to give Schlemmer Morocco this award for its part in helping Delphi to deliver an even better service to its customers in 2015."
