

## HYBRID Software - Virtual Press Conference 2020

It is with lots of excitement, that we would like to invite you to our Global Virtual Press Conference 2020 on Tuesday June 16th at 2 pm (GMT) / 4 pm (CET).

In our online session, we will be announcing the powerful and functional evolutions of our award winning products: PACKZ and CLOUDFLOW. On the same day DRUPA 2020 would have been, we are excited to present what we have been working so hard on.

The event will be hosted by HYBRID Software's Chief Marketing Officer, Christopher Graf, elaborating on new feature enhancements in our software, hundreds of module innovations and steps forward for digital printing solutions.

Don't miss out on the opportunity to be included and [register now!](#)
