

## **Incomedia S.r.l. and One.Com enter a worldwide partnership agreement to offer web hosting services with WebSite X5 Evolution 8.**

### **Incomedia will include One.com's Web Hosting Pack with every copy of their flagship product WebSite X5 Evolution 8**

Ivrea, Italy - November 3, 2009

Incomedia S.r.l., a leading independent developer and publisher of multimedia software for the global PC market, today announced a worldwide agreement to include Web Hosting Services from One.com, one of the leading companies in the global web hosting market, with their Incomedia WebSite X5 Evolution 8.

Under the agreement, customers purchasing WebSite X5 Evolution 8 will not only be able to create professional websites, online shops and blogs but will also be able to get these projects online at no extra cost. The One.com Web Hosting Pack, worth €43, is a 12 month hosting pack that includes:

- Domain Registration (.com, .co.uk, .net etc.)
- 3GB Web Space
- Unlimited email accounts
- Daily backup
- Free live help 24/7

"We're extremely excited to work in partnership with One.com and our agreement to offer our customers a complete Web Hosting Pack further strengthens our already successful WebSite X5 Evolution 8 product" said Federico Ranfagni, CEO, at Incomedia S.r.l. He continued "With Internet penetration at an all time high of 24.7% and having grown at a phenomenal rate of 362.3%\* in this decade, so has the desire increased for users to embrace the Internet socially and for business. With WebSite X5 Evolution 8, users can quickly and simply create a multitude of websites, online shops and blogs; and now in one easy step they can get their entire project online and update it as often as they like without any additional cost."

"At One.com we look very much forward to working with Incomedia. Our focus at One.com is to offer a simple, flexible and user-friendly product, and we are very satisfied that we can now share our product with the WebSite X5 costumers" says Thomas Medard Fredriksen, Head of Corporate Relations at One.com. "With the compatibility between our product and the WebSite X5, we look forward to working tightly together with Incomedia, in persuading the goal to serve their customers with the best solutions available on the market."

#### **About Incomedia:**

Incomedia is a leading independent developer and publisher of multimedia software for the global PC market. Founded in 1998, Incomedia is privately owned with operations in Italy, Germany and the UK. Incomedia's flagship product WebSite X5, was developed with the aim of bringing high-end website creation software at affordable prices to home, business and education users. The software is designed specifically for users who want to publish high-quality websites and online shops, with a professional look and feel in just 5 simple steps. It is completely visual with users requiring no HTML programming skills; all they need to know is what they want to say and WebSite X5 takes care of the rest. WebSite X5 is currently sold in over 40 countries through a well established network of International distributors, resellers and retailers. To date the software has over 200 favourable reviews globally from some of the most respected magazines and websites.

#### **About One.Com:**

One.com is an innovative supplier of web hosting services. One.com (B-one), established in 2002 in Denmark, is today one of the leading companies in Europe within the provision of domain names and sales of web hosting services. Thanks to its constant growth, One.com has today more than 700,000 customers in 149 countries and it has through the years achieved a wide recognition in some of the web hosting industry's most thorough and demanding tests.
