EBV Elektronik honoured with Vishay's EMEA Semiconductor Distributor of the Year 2023 Award

Avnet Abacus and EBV further receive the Full Service Distributor of the Year 2023 award through combined efforts under the Avnet umbrella

Poing, Germany, 08th October 2024 – EBV Elektronik, an Avnet company (NASDAQ: AVT), has been honoured with the EMEA Semiconductor Distributor of the Year Award 2023 by Vishay Intertechnology, a leading manufacturer of discrete semiconductors and passive electronic components.

"On behalf of Vishay, I'm proud to recognize EBV Elektronik for their outstanding contribution as the EMEA Semiconductor Distributor of the Year," stated Philippe Masson, Senior Director Channel EMEA. "Our partnership has been instrumental in driving growth and expanding the reach of our semiconductor products in the market."

Furthermore, in a joint accolade as part of Avnet, EBV Elektronik and its sister company, Avnet Abacus, have been awarded the EMEA Full-Service Distributor of the Year Award, showcasing their collaborative excellence in the European distribution landscape during 2023. "We are also thrilled to present the EMEA Full-Service Distributor of the Year award to Avnet, combining the performance EBV and Avnet Abacus," Philippe Masson continued. "This award is a testament to their performance in growing the Vishay product line as well as their unwavering commitment to providing high quality service to our mutual customers in the region. We are very thankful to their dedicated team for their hard work and partnership."

"The Vishay Semiconductor Distributor of the Year title reflects our robust contribution to design activities, process excellence, and overall performance throughout the EMEA region," commented William Caruso, President EBV Elektronik. "Through close collaboration with our colleagues at Avnet Abacus, we were also able to secure the Full Service award. This recognition from Vishay Intertechnology highlights our commitment to excellence and our teams' dedication to and flexibility in delivering high quality solutions to customers."
