Join ADLINK at InnoTrans 2026 - Bridging AI to Smart Rail

Meet ADLINK at InnoTrans 2026!

Explore how ADLINK's Edge AI solutions bring intelligence closer to transportation systems—enabling faster decisions, greater reliability, and smarter operations across the mobility ecosystem.

- **22–25 September 2026**
- **Messe Berlin, Germany**
- **Hall 4.1 | Booth 672**

Discover solutions designed for mobility applications:

- Intelligent Rail and Autonomous Transportation Systems
- Smart Transportation Infrastructure
- Connected Mobility Solutions
- Digital Passenger Experiences

Experience the benefits of Edge AI for mobility:

- Real-time intelligence at the edge
- Reliable AI for time-critical operations
- Flexible AI computing across CPUs, GPUs, and NPUs
- Scalable edge-to-cloud mobility solutions

Meet the ADLINK team at InnoTrans 2026 and explore how Edge AI can help accelerate your next mobility project.

Schedule an appointment with our team

We look forward to welcoming you in Berlin!

Beginn:
Tuesday, September 22, 2026, 9:00 AM Uhr

Ende:
Friday, September 25, 2026, 4:00 PM Uhr

Veranstaltungsort:
Messedamm
Berlin
Germany
