

Techtextil 2015 with ROWA Lack and TRAMACO

Pinneberg/Germany, April 13th, 2015 - In 2015 there will be a further trade fair highlight for ROWA Lack: the Techtextil in Frankfurt, Germany. From 4 to 7 May 2015, interested visitors can exchange information with the experts from ROWA Lack in **Hall 3, Booth F53** and find out about the entire product range.

Techtextil is regarded as the leading trade fair for technical textiles and non-wovens. ROWA Lack will use it as a platform to present new products to visitors and to provide project-related, application engineering support. ROWA Lack delivers its products to customers from the coating industry around the globe from its sites in Pinneberg, Seevetal and Yesan (South Korea).

An interesting supplement to the ROWA Lack portfolio will be offered by co-exhibitor TRAMACO, who will be presenting Techtextil visitors its products such as adhesion promoters and chemical foaming agents.

About the ROWA Lack:

The ROWA Lack GmbH was established in 1958 and is a partner in the ROWA GROUP of companies. The brand ROWA stands for technical competence, modern product design and customer oriented service the world over. Tailored customer solutions are part of the ROWA tradition and are a matter of course! The development of new products, the search for alternative raw

materials and the constant and sustained optimisation of our processes, coupled with modern technology, motivated employees and economical environment protection enjoy the highest priority in our company. In 2010 the ROWA GmbH has been renamed into the ROWA GROUP Holding GmbH and the departments Masterbatch and Lack were newly formed as ROWA Masterbatch GmbH und ROWA Lack GmbH specialist division: Special Lacquer Systems and Top Coats.
