

Next Generation – the new Smart Label Printer® 600 Series by Seiko Instruments

Faster, Easier and Affordable

Seiko Instruments is launching the new Generation of Smart Label Printer®. The Original by Seiko Instruments has become more versatile by introducing the line-up of three models. Now the choice is yours in terms of speed, resolution and connectivity. Create customized labels by combining graphics, barcodes, company logos and fonts from Windows® or Mac® applications. Seiko Instruments offers you the largest variety of labels and tags for desktop printers. Due to direct thermal printing technology no ink, toner or ribbon is needed.

■ FAST, EFFICIENT, COST-EFFECTIVE!

The user-friendly Smart Label Printer® 620 is ideal for tackling all your everyday label

printing needs. Get your office organized with address labels, file folder labels, shipping labels, name tags, multipurpose labels, and more. The easy operation leaves more time for other tasks.

■ MORE SPEED, HIGHER RESOLUTION, MORE FLEXIBLE!

Achieve first-class label printing results with the higher resolution model Smart Label Printer® 650. Texts, graphics or bar codes: the SLP650 meets even special requirements e.g. in the industrial or medical field flexibly and reliably. A tray will be available shortly to support high capacity printing with big rolls.

■ VERSATILE, COMMUNICATIVE, RELIABLE!

The adaptable Smart Label Printer® 650SE offers all the benefits of the SLP650, with an additional serial port to help extend the life of your legacy systems.

■ About Seiko Instruments

Seiko Instruments is a leading manufacturer of compact thermal printers. The portfolio includes mobile printer, thermal printer mechanisms, receipt printer, Smart Label Printer® and kiosk printer. Seiko Instruments GmbH in Neu-Isenburg is a subsidiary of Seiko Instruments Inc., a company of the SEIKO HOLDINGS COOPERATION.

Model	SLP620	SLP650/650SE
Printing method	direct thermal	
Resolution (dots/mm)	203 dpi (8)	300 dpi (11.81)
Paper width (mm) max	57.9	
Printing width (mm) max	48	48.8
Printing speed (mm/s)	70	100
Barcode	Code39, I-2 of 5, Code128, EAN13, EAN128, UPC-A, UPC-E, Codabar, Maxi Code, PDF417, Data Matrix, QR Code	
Communication interface	USB	650 USB / 650SE USB, RS-232C
Power supply (V) DC	5.7 to 6.3	11.4 to 12.6
Current consumption (A)	Normal	2.3
	Maximum	2.5
Service life Abrasion resistance (km)	6	15
Operating temperature (°C)	5 to 40	
Storage temperature (°C)	-20 to 60	
Dimensions (H x D x W mm)	113.8 x 172.0 x 148.0	
Mass (g)	ca. 490	
Software	Windows® 2000, 2003, XP, Vista, 7 / Mac OS® X 10.5 or higher
