

Karlstein am Main, August 23th 2017

PRESS INVITATION

EuroBike: BMZ presents news of BMZ Drive Systems

In anticipation of the EuroBike trade fair in Friedrichshafen from August 30th to September 2nd, we would like to invite you to visit the BMZ Group exhibition booth to learn about **new developments in BMZ Drive Systems**.

Where: EuroBike Friedrichshafen, Hall A6, Stand 214
Date: Wednesday, August 30, 2017
Time: 9-10 AM

New developments in BMZ Drive Systems:

- **New, high-performance E-bike down tube battery URV8**
- **BMZ “Connect C” smartphone connection**
- **BMZ “BPC” architecture for open E-bike systems**

- **Assessing the E-bike market, developing the E-bike segment in the BMZ Group**
- **Cell production in Germany / TerraE.**

The BMZ Group is a provider of open E-bike systems. With BMZ Drive Systems, the company offers a system solution combining a display and motor with a lithium-ion battery and charger adapted for E-bikes. The BMZ Group is a global player in lithium-ion system solution production.

Use this exclusive opportunity to interview Sven Bauer, CEO & Founder of the BMZ Group, as well as experts from the BMZ E-bike expert team.

To set up your own press briefing or discuss your personal interview requests, please contact Dr. Susanne Kaschub by telephone at 0151/58 252 324 or by e-mail at susanne.kaschub@bmz-group.com. We look forward to welcoming you personally to **EuroBike in Hall A6, booth 214.**
