# 11<sup>th</sup> European Police Congress

## ■ Fact Sheet 2008

The "European Police Congress" is an international conference that intends to be an information platform for Police and Decision Makers of Security and Civilian Authorities. It is the largest specialized Conference for Internal Security in the European Union. Each year the conference is a meeting place for more than 1.800 experts. Representatives of the Police, Border Police, Secret Service, Ministries of Interior and Justice as well as members of National Governments and Parliaments of about 60 countries participate in the conference.

### Key Facts:

- International platform for the leadership level of the European Police.
- Key Notes from Ministers of Justice and Interior.
- Meeting Place for Political and Police Decision Makers.
- Participation: Ministers of the Interior, Ministers of Justice, European Delegates, Secretaries of State, Heads of Agencies, Police and Border-Control Authorities and Executive Committees of companies from more than 60 nations participate in the conference.
- Forteen specialized Panel Discussion Rounds.
- Exhibition of leading companies of system solutions.
- State of the art conference rooms.
- High media resonance by reporting in Printed Media, Broadcasting and Television.
- Free of charge for Civil Authorities, Police, Armed Forces and Embassies.

The European Police Congress takes place at the beginning of each year in Berlin. It represents an independent Meeting Place for experts of the Police, Governments and Industries and is exclusively intended for this specific group.

### Visitor Breakdown 2007:

- 1.627 participants from 52 Countries
- 43% visitors from Germany, 47% visitors from EU, 10% Non-European visitors
  - 14 Ministers of the Interior
  - 5 Federal Ministers of the Interior
  - 4 Ministers of Justice
  - 9 Vice-Ministers of the Interior
  - 31 Ambassadors
  - 41 Police Attachés
  - 22 Heads of Agencies
  - 23 Members of National Parliaments
  - 8 Industry CEOs
