

WANTED: TANK BAG (M/F/R NINET)

THIS WUNDERLICH TANK BAG CUTS A GREAT FIGURE ON MAN, WOMAN AND BMW R NINET!

The BMW accessory specialists at Wunderlich have proven their competence and expertise without a doubt when it comes to the development and manufacturing of countless tank bags specially for BMW motorcycles. Who doesn't know the convertible, versatile, well-designed and contemporary ELEPHANT tank bags, which can be kitted out with photo or cool bags and much more? Or the nostalgically appealing MAMMUT bags that close with leather straps like they always used to.

„Tank bag“ - taken literally

With this tank bag, which the Rhinelanders have now presented for the BMW R nineT model series, they've taken the words „tank bag“ literally. It's clear that it fits on the tank of the R nineT! And yet at the same time you can carry it just like a rucksack. It already has what it takes to become a classic and is crafted with great attention to detail that is made exclusively for Wunderlich. Wunderlich uses only the most high-quality materials here that underscore its value: this is resistant, waxed, water-resistant wool combined with genuine leather applications. The waxed cotton and leather develop a wonderful patina during use that can only be achieved with genuine, authentic materials.

Typically Wunderlich: they've thought of everything!

The materials and the craftsmanship turn the tank bag into a truly stylish, robust everyday companion. Not only does this make it practical, it also lends the R nineT an attractive, casual look. The main pocket and document pocket each close stylishly and reliably with a zip fastener. The transparent map holder disappears into a separate pocket on the side, it can be easily rolled out when needed and fixed with two, discreet Velcro fasteners. It's the icing on the cake for all old school navigators. It attaches with easy to use and secure LOXX quick releases and matching straps. With a volume of 13 litres, it provides ample space for that weekend trip without restricting mobility when riding (or carrying).

Wunderlich offer this fine piece in three colour variants: in brown, khaki and black. The tank bag costs €299.00*) and comes with a 5-year guarantee in the bag!
