

## WE'LL BE THERE! WILL YOU?

### BMW SPECIALIST WUNDERLICH AT THE 27TH MUNICH IMOT 2020!

The Bavarian motorcycling world will come together once again in the halls of the MOC event space in Munich Freimann from 14th to 16th February 2020!

The BMW accessories specialist from Wunderlich will be there again at IMOT with their well-known stand in Hall 4. Experience shows that when the accessories specialists for BMW motorcycles set off for Bavaria, not only will they have a whole range of newly developed premium components for the start of the season in their bag, but they'll also bring their fleet of show and concept bikes with them. These include the Wunderlich R 1250 GS and 1250 GS Adventure as well as the F 850 GS. The K1600 GT, R 1250 RT and R 1250 RS will also be on show as well as the S 1000 R, meaning the full range of vehicles will be on display and fully kitted out with no exceptions. Anyone who wants to personalise and optimise the ergonomics, suspension or design of their BMW will definitely find what they're looking for. The same goes for sophisticated luggage solutions and the comprehensive active and passive protection for the machine. For fans and friends of conversions, the team from Graftschaff will be exhibiting their R nineT /5 in Wunderlich trim, which visibly conveys all the possibilities of Wunderlich products. Whether it's an upgrade or a conversion, Wunderlich components always stand for top quality, functionality, the best materials and careful manufacture. You can find the world of Wunderlich in Hall 4 | Stand 441.
