

## COMM-TEC@ISE 2020 in Amsterdam

Innovations and Trends of the AV/IT media technology industry at the **COMM-TEC booth 2-B40**

Uhringen, December 16<sup>th</sup>, 2019

From 11<sup>th</sup> to 14<sup>th</sup> of February 2020, [COMM-TEC](#) will once again present its extensive portfolio of products, solutions and services at [Integrated Systems Europe](#) (ISE) in Amsterdam. COMM-TEC will exhibit its innovations and trends in the field of AV/IT media technology to trade visitors in a practical and interactive way on a stand area of around 200 m<sup>2</sup>.

Integrated Systems Europe 2020 will be opening its doors in a few weeks on 11<sup>th</sup> of February 2020 in Amsterdam. COMM-TEC will once again present highlights, trends, products and solutions from AV and IT media technology to its trade visitors at the ISE in 2020 - technology to experience and touch! With a modified booth concept, COMM-TEC will concentrate on highlights in the segments of Display Solutions, Digital Signage and Media Solutions, Pro Audio, Collaboration and UCC, Racks and Mounts as well as Signal Management, which will be presented in a user-oriented way.

New manufacturers at COMM-TEC and the expansion of the portfolio in these areas show how important cross-company cooperation and exchange have become in a globalised working environment. At the next ISE, synergies from the affiliation to the DCC Technology / Exertis in various segments will be clearly visible at the COMM-TEC booth.

Increasing digitalisation and the need to make processes more efficiently are significantly changing working conditions in many companies. COMM-TEC presents solutions in the areas of collaboration systems and BYOD presentation technology, which will increasingly accompany and support us in our daily professional lives. The COMM-TEC portfolio includes solutions for business and conference rooms, video conferencing, digital signage at PoS and PoI, education and educational institutions, museums and theme parks, shows and events, building automation and facility management as well as smart homes and home cinemas.

According to the motto "Companies don't do business, people do", COMM-TEC invites you to a booth party at the COMM-TEC booth **B40 in Hall 2** on February 11<sup>th</sup>, 2020 from 5 p.m. to 7 p.m. – the perfect appointment for personal exchange and for networking.

**About COMM-TEC**

*For more than 30 years, COMM-TEC GmbH has been one of the largest and most renowned value-add distributors for AV media technology in Europe. The company headquarters is located in Uhingen near Stuttgart and distributes the products of more than 50 well-known manufacturers. The business units „Digital Signage & Media Solutions“, „Collaboration & UCC“, „Signal Management“, „Pro Audio & Control“, „Display Solutions“ as well as „Racks & Mounts“ provide master technicians, system integrators and architects with the optimal hardware for their requirements. Of central importance here is the COMM-TEC Claim "Think Solutions": it creates a consciousness for thinking and acting in terms of solutions, and for offering solutions. COMM-TEC supplies everything from one source, from planning through consultation to implementation.*

**About Exertis**

*Exertis is an industry leading distributor of technology products and specialist services. Its customers include retailers and companies that resell technology products that people use every day in their home, office or whilst on the move. Chances are these products have passed through one of its logistic centres or that a technology solution has been prescribed by one of its expert teams. Exertis partners with 1,400 emerging and global technology brands and over 50,000 resellers, e-commerce operators and retailers across Europe. The Exertis businesses are located across Europe, North America and the Middle East, including UK&I, Netherlands, Sweden, Belgium, Germany, Italy, Poland, France and Spain, USA and Canada, Australia, Malaysia, Singapore and Hong Kong as well as Dubai.*
