

## WUNDERLICH GS-DAY IN SINZIG ON 22<sup>ND</sup> OF JUNE!

### TIME TO RAISE A LITTLE DUST!

Wunderlich has compiled a great program for this year's GS-Day on the Saturday of Corpus Christi weekend: the focus is on the adventures of the WÜSTENTÜMLER, who traveled to the magnificent Namibia on the Wunderlich R 1250 GS in May. He will report first-hand under the motto „This is Africa“. It's about the country and its people, the travel arrangements, driving techniques and helpful tips to prepare your own machine for such a trip. Sabine Kastner from tour operator AfrikaScout and tour guide Gavin Green will also be in attendance. Of course, the traditional off-road training with Dirk Thelen as coach should not be missed. The store and the test center will be open. In addition, the German Red Cross has organized for the first time a first aid training, which is aimed specifically at motorcyclists. Furthermore attracts a raffle with great prizes. Preparations against growling stomachs and dry throats are of course taken! Once again, the people of Sinzig are laying the right foundation for a varied Endurist meeting, whereby Wunderlich warmly welcomes all BMW motorcyclists (and everyone else)!
