

## Wibit breaks GUINNESS WORLD RECORDS® title for “largest inflatable aqua park” in Indonesia

**Gilimanuk, Bali, 19th September 2019** – The world’s leading floating water park brand Wibit together with their authorized partner for Indonesia, PT. Ecomarine Indo Pelago, today officially opened the **world’s largest inflatable aqua park “Aqua Dreamland”** at Secret Bay in Gilimanuk, Bali. The record was officially confirmed by Anna Orford, Guinness World Records adjudicator, together with Putu Artha, the regent of Jembrana, acting as a witness, and thousands of first conquerors of the aqua park in an extraordinary opening ceremony.

The new record-breaking SportsPark spells the letters “INDONESIA” on the water. With a gigantic size of more than 28.900 sqm the so-called WibitTAG “tags” the Balinese coast in a unique and attractive way, giving it a new iconic structure that is even visible from an airplane. The INDONESIA TAG consists of 177 TÜV certified Wibit products that meet the highest quality and safety standards. The different styles of water obstacles offer various ways of activity on the water - from sliding to jumping to climbing there is fun guaranteed for all ages and fitness levels. The aqua park is designed to hold a capacity of up to 600 people at the same time.

Thanks to Wibit’s unrivalled 23 years of expertise in the business and the professional Wibit installation team that has up to now built more than 600 SportsParks in more than 95 countries, the massive INDONESIA message on the water was completely installed in just 5 days with 6 technicians and further helpers.

“The whole region is so proud to open the world’s largest aqua park and the first Wibit SportsPark in Bali. We are sure it will be a huge success for the local business attracting thousands of locals and visitors”, says Yudiansah Yosah, authorized Wibit partner and owner of the Aqua Dreamland park.

Robert Cirjak, President of Wibit Sports confirms: “The complete Wibit Sports team is really excited to hold the official GUINNESS WORLD RECORDS® certificate in hands. People say a picture is worth a thousand words - we believe this word is worth a thousand pictures!”

### About Wibit

Founded in 1996 by two friends Robert Cirjak and Romann Rademacher, Wibit has created the industry of inflatable water parks. Inspired by a passion for sports and the wish to run an extraordinary business, the company constantly evolves to create new activities on the water.

Wibit’s professionally designed SportsParks tailor-made for all types of open water locations and their proven pool combinations have been sold to more than 95 countries and have created over 50.000.000 smiling faces among owners, operators and consumers. From Canada to Mexico, from Norway to Dubai to Australia, Wibit is a global definition of fun, making people happy and encouraging social interaction independent of age, culture and fitness level.

The foundation of Wibit's business success is their steadfast commitment to providing the highest quality products and most exceptional service in the water park business, offering customers turnkey solutions building on Wibit's more than 23 years' experience.

Taking care of safety as one of the Wibit core values, all Wibit products are designed according to the newest European safety regulations, corresponding to EN ISO 25649. All inflatables are regularly tested and certified by the German TÜV.

Wibit - Our expertise is your success!

## **About WibitTAG**

WibitTAG - Say it on the water!™

WibitTAG is an unparalleled floating playground giving water areas an iconic structure. The modular Wibit products are connected systematically to form individual messages. With Wibit's innovative system, any letter, numbers or symbols can be put on the water to be read from above. This offers places like INDONESIA, DUBAI or CANCUN and popular brands a new and unique way of creating an outstanding awareness.
