RESCUE: Heroes in Action: Rising Storm

Ready for new missions!

Mönchengladbach/Germany, September 24th, 2015 – Dangerous fires and destructive floods roil the citizens since the sudden coastal storm hit the city! That means the firefighting crew from **RESCUE: Heroes in Action** has to face new challenging missions in the first official add-on **RESCUE: Heroes in Action: Rising Storm**, which is now available for mobile devices!

Ravaged by the fierce coast storm Nina the city and its inhabitants are desperately looking for help from their rescue and firefighting heroes: with the impeding floods threatening dwellings and distressed citizens the rescue specialists will need all their courage and skills to prevent an even greater disaster right the eye of the storm!

RESCUE: Heroes in Action: Rising Storm is the first expansion of the popular mobile game **RESCUE: Heroes in Action** and adds a completely new scenario to the main game, including 10 missions, 4 new emergency vehicles, 4 new unique characters and much more.

Players will dive into realistic, suspense-packed missions with their firefighting unit, where every decision can mean the difference between life and death. Find out what it takes to be a true "Hero in Action"!

The add-on **RESCUE: Heroes in Action: Rising Storm** is now available for iOS and Android devices!

About astragon Sales & Services GmbH

astragon Sales & Services GmbH (previously rondomedia Marketing & Vertriebs GmbH) together with astragon Entertainment GmbH (previously astragon Software GmbH) forms the core of the in July 2014 newly created astragon group. Today, the astragon group is the second largest producer and marketer of computer games in Germany (number of units CD-ROM/DVD as per GfK Media Control, complete annual evaluation 2014).

The main focus of astragon Sales & Services' product range lies with technical simulation games for PC and mobile devices such as smartphones and tablets. Casual games, adventure games and economy simulations complement the diverse portfolio, as do assorted simulation games for mobile and static game consoles. Additionally to the distribution to retail partners in the German language area by astragon Sales & Services, products are also marketed internationally under license and via download by astragon Entertainment.
