About ICM

ICM AG is an international leader in the organisation of conferences specialising in the fields of recycling cars, electronics and batteries. These waste streams have been among the world's fastest growing commodity markets for years.

ICM is a Swiss company which has organised conferences in Europe, North America and Asia since the year 2000. The company was founded by Jeanette Duttlinger. Her team consists of 15 employees who speak German, English, Spanish, French, Italian, Russian and Chinese.
