

Visit CETECOM at three different events during March 2017

In March 2017, CETECOM will exhibit at three different events and will showcase its extraordinary service portfolio for consulting, testing and certification. Visit CETECOM at the Mobile World Congress, embedded world and emv 2017.

January 24, 2017 / Essen, Germany – During the span of four weeks, CETECOM will showcase its extraordinary service portfolio at three different events.

Consulting – Testing – Certification – CETECOM's three cornerstones and our foundation to enable the market access for our clients.

Antenna-Development or Support, EMC and radio testing, international type approval or support regarding the new Radio Equipment Directive (RED). Only some of the topics for which CETECOM is the ideal partner.

Take this opportunity to visit CETECOM at three different events during March 2017:
